United States Senate 6 year term

**Henry Clay Dennison**  
**Prefers Socialist Workers Party**

**Elected Experience** No Information Submitted

**Other Professional Experience** Currently a rail worker and a member of the SMART-TD union. A union coal miner for 18 years. Worked in textile, steel, and other industries, joining coworkers to fight for better conditions.

**Education** The Black struggle and other workers' struggles taught me a profound confidence in the solidarity and fighting capacity of the working class here and internationally

**Community Service** Participation in actions supporting Black farmers fighting land loss, protests against police brutality, against anti-Jewish attacks, and in solidarity with immigrant workers. Defending free speech and debate, and standing against anti-working class, anti-scientific "cancel culture" and "wokeism"..

**Statement** The Socialist Workers Party campaign presents a course for working people to organize, defend ourselves, and make gains amid deepening world capitalist crises. Workers need to break from the Democrats and Republicans, and use our unions to form a party of millions of working people, a labor party, to speak and fight in *our* interests.

Moscow's troops out of Ukraine now! U.S. troops & nuclear weapons out of Europe! End U.S. sanctions, which hurt working people. International working-class solidarity, including between Ukrainian and Russians toilers, is key to defeating Moscow's invasion. Workers here share common interests with fellow working people worldwide, not the rulers who exploit us. For unconditional recognition of Israel as a refuge for Jews, increasingly scapegoated for the capitalist crisis, and facing murderous violence.

Workers need access to healthcare, childcare, family planning, easier adoption, contraception, and safe and secure abortion. Solidarity with farmers, who face soaring production costs and threat of foreclosure. Nationalize the land, to guarantee use by those who live on and work it.

Defend Cuba's socialist revolution, which shows it *is* possible for workers and farmers to transform ourselves in struggle, take political power, and begin to uproot capitalist exploitation. End the U.S. economic war against Cuba!

Working people face long hours and insufficient time off. The labor movement must fight for a shorter work week with no cut in pay to create jobs, prevent layoffs, and allow family life. For cost-of-living raises of wages and retirement benefits with every price rise! To defend life and limb on the job, workers must aim for control of production.

Only a revolutionary government of workers and farmers can build a society in the interests of the majority. That's what the SWP fights for.

**Other Professional Experience** Healthcare expert, holding one of the highest medical degrees in the U.S. Expert of US-Arab /Muslim relations. Combined following of over 424k followers on Facebook (Dr.Mohammad Said).

**Education** M.D. honors, PhD honors, MPH, Specialities: Internal Medicine, Family Practice, Geriatrics, Preventative & Alternative Medicine, Former Asst. Clinical Professor at VA in Fargo, ND. Fluent in Arabic, Spanish, English.

**Community Service** 15 years of volunteer work at WA State correction facilities (local, county, & state).

**Statement** In 1992 as co-founder, I attended Rainbow Coalition in Seattle with intentions to run for U.S. Senate at the same time Senator Patty Murray came for endorsement. They convinced me to withdraw my name on her behalf and I agreed. Since 1992, senator Patty Murray was elected for WA state & is the chairman of Health and other departments.

I had been a doctor practicing in the state of WA for 38+ years with no complaints against me. Unexpectedly, the Health department suspended my medical license based on misinformation & what I suspect to be racism and Islamophobic. My case was handled through Zoom due to the pandemic and those members of the medical commission were all below my education and experience. I was racially targeted and they said I was demented and unable to practice. That misinformation came from a geriatrician, a member of LGBT whom I visited to get a second medical opinion on some issues. An attorney presented several supporting evidence, proving I was a competent medical doctor. The commission however, were convinced by an assistant attorney general who had been against me for years and I have evidence of that.

I wrote to Patty Murray, the chairman of the Health department, as this was her department. Why did not do anything? I decided to publish not only my grievances but also that of hundreds of my patients, as I am running for U.S. Senate.

I advocate amendments to the constitution which include War Powers Act, direct trade with foreign countries by states, National Guard to be under state control, Second Amendment as a privilege and not a right, allow foreign-born Americans to run for President, and U.S. Congress to meet in states by rotation. **John Guenther**  
 Prefers Republican Party

**Elected Experience** None, which is an attribute. Please read my statement carefully, I am about one thing results and I will bring results through this position.

**Other Professional Experience** State and Tribal.

**Education** MSW, I have every intention of getting involved in education on a

local level. We have to fix where our schools are at. I will work with both parties to focus on test scores, vouchers, and helping all schools.

**Community Service** A great deal of service. I am a Tribal member who will reach out to both sides of the aisle, and I will be involved with fixing crime and homelessness on a local level.

**Statement** My name is John Guenther, I am a Republican candidate for the US Senate. I am calling on votes from Democrats, Independents, and Republicans. I promise members of Congress or their significant others will not be permitted to own individual stocks and I will get term limits for the House and Senate; or I will not run again. Under my watch, we will fight the printing of money and the massive debts we are under, and we will stop inflation.

I will fight crime by ensuring Judges don't allow dangerous individuals out on bail. I will ensure Prosecutors file on dangerous individuals, I will fund the police, and will stop tent cities in city limits. I will be involved locally.

With education, focus on the basics, bring up test scores, why are poor and minority schools always the worst? We need to look at vouchers. Teach sex ed at home, and end CRT.

With energy, yes to alternative sources, but bring back nuclear, and get the uranium, oil and gas from American states. I will support legal immigration, and stop this surge. With foreign affairs, operate from a position of strength, stop allowing countries that are hostile to America, take over America. We are about to accidentally enter WWII.

I want to Reach out to Republicans and say, hardliners will not win, vote for me. Democrats, I will work closely with you and will work on a local level to make our State safe again, and help our educational system. With Independents, do you trust the direction we are going? We need leadership to right this wrong. I am saying to all three groups, vote for me and you will get results. I will not tell you that I have a plan, I will produce or not run again.

**Tiffany Smiley**  
 Prefers Republican Party

**Elected Experience** No prior elected experience, but an extensive background building coalitions and working with members from both parties to enact legislation reforming the Veterans Administration and improving veterans' health care.

**Other Professional Experience**

Triage nurse, full-time caregiver, President and Co-Founder of "Hope Unseen," veteran's advocate, mother of three growing boys.

**Education** Whitworth College- Bachelor of Science in Nursing

**Community Service** KADLEC Foundation Board, Elizabeth Dole Foundation, National Chamber for Hiring our Heroes, Veterans Airlift Command, Camp Corral, Smart Women Smart Money, Policy Vet Board

**Statement** Tiffany Smiley grew up on a farm in rural Washington and dreamed of becoming a nurse. When she married her high school sweetheart, Scotty Smiley, and achieved her goal of becoming a triage nurse it seemed she'd achieved her version of the American Dream. That dream was shattered in April of 2005 when she was informed that her husband had been blinded by a suicide car bomber in Mosul, Iraq. At 23, Tiffany quit her nursing job and flew to Walter Reed Army Medical Center to be by Scotty's side.

At Walter Reed, Tiffany had to stand up to the federal government and fight for Scotty, his dreams and the care he had earned. For Tiffany, her experience with the military bureaucracy highlighted the challenges facing many service members and their families. Tiffany became their voice, going to Capitol Hill and meeting with anyone who would listen to her. She built coalitions with members from both sides of the aisle which ultimately resulted in real reform of the VA to help the catastrophically injured and their caregivers.

Drawing on her experiences as a veteran's advocate, Tiffany will build coalitions and work for policies that improve public safety and protect Washington families, combat spiraling gas prices and the inflation that's hurting the middle class and address the homeless crisis plaguing our communities. Tiffany will be a strong supporter of our men and women in law enforcement whose sacrifices keep our streets safe and allow Washington communities to thrive. As the mother of three school-age boys, Tiffany will invest in our schools to provide every child with a brighter future. Tiffany has earned the endorsement of the Washington State Republican Party. From a small farm in Eastern Washington to the nation's capital, Tiffany will be a voice for all of Washington.

**Statement** As a Democrat, I have always the interests of the people at heart, because I truly believe that *democracy* is the best form of government for all the people across this Earth.

My Bachelors of Arts & Science from the University of Washington, followed by many years of study at the Environmental University of Oxford graduating with a Public Health PHD & Environmental Science and Cybernetics. (PPE)

All of my life I have extended myself to the community, with non profit work at "People's Health International" working against endemic diseases such as Tuberculosis and many other communicable illnesses that ravage the most neglected human beings at the bottom of the pyramid.

It is my fervent belief that government by the people, from the people and for the People -- shall never perish from this Earth, if we can help it.

That is, if we can help it be maintained as discussed in our party manifest, and as "We Democrats and Independents" can coalesce into a strong majority that will push through our political agenda of Growth, Equality in front of the eyes of the law, and Equanimity in opportunity to harvest the American Dream that is promised to all of us, but rarely delivered to the ones who are less fortunate amongst us, because of racial divisions, lack of economic opportunity for most, and also because we are still tied up to the carriage of runaways that preach systemic racism and white supremacy, and still happen to be the majority of our elected officials. This is what I am here to change, and that is why I ask for your vote.

Boeing, 737 Airplane Electrical Wiring

**Education** BA Business Administration, University of Washington: Economics, Finance, Accounting; BA Political Science, Chaminade University: Constitutional Law & Government

**Community Service** Army veteran, Captain, Second Infantry Division. Incidentally, I was a *middle-road*, JFK (John F. Kennedy) legacy Democrat. The Democratic Party *abandoned* me. I became a Republican. Praise God.

**Statement** The 7% inflation in 2021, the worst in 40 years, cost the average U.S. household \$3,500 more for the same goods and services.

Think about this. The ineffective career politicians in charge, who just messed up your wallet, want another chance. Bad idea.

This election, *cut your losses*.

Vote your unhappy wallet a Senator (and Representative) who will sponsor tried-and-true policies that foster prosperity.

Specifically, under Democrat President John F. Kennedy, almost everything was made-in-the-USA, America was energy independent, our border was secured, and inflation was 1%. *With policies like JFK*, Donald Trump's inflation rate was 1.2%.

Something else. Article IV, Section 4, in the Constitution, protects each state against invasion. Accordingly, I oppose amnesty for illegal aliens. These people invaded America.

**Statement** He and his wife and their six children live in Kent Washington. Born in Resita, Romania 1980, he was among twelve children. They immigrated in 1990 with parents and eight of the siblings. They all have eventually acquired United States citizenship. His wife is also from Romania, and they have been married for twenty years. They have been in business together since 2001. His successfulness has attracted him to running for office. In all of what is happening now, he has been seeing what new measures government should be taking. Certain things need "More of it!" until adequate completion. We've only started. In this society, good programs and personnel for security in schools need more development. **Statement** This year's candidacy marks a decade of not trying to win but to use the Voters' Pamphlet to attract viewers to the posts on my blog <http://stoepastlinknow.blogspot.com>. It began in response to the Seattle Times failure to recognize Sound Transit had a board of elected officials and a CEO that didn't understand the basics of public transportation.

That 4-car light rail trains don't have the capacity to reduce peak-hour congestion on multi-lane freeways and cost too much to operate during off-peak commute. That the billions already spent on Prop 1 extensions will do nothing to reduce freeway congestion. They're only a down payment on ST3 "voter approved" extensions whose costs have increased from the \$54B voters approved in 2016 to \$135B in 2022; yet don't increase capacity but add to operating cost.

The Times has abided Sound Transit no longer releasing quarterly service reports that would have shown Northgate Link ridership was ~8000, a fraction of the 42,000-49,000 the paper had heralded as "Transit Transformed". Portending even worse debacles for the "voter approved" ST3 extensions; my goal to expose.

This year it will also allow state residents to vote for someone who doesn't believe the country is systemically racist, believes teaching CRT doesn't benefit students, and that sex education should be age appropriate. That Gov. Inslee should explain the benefits of EVs whose batteries are charged by fossil fueled generators and whose owners don't pay gas taxes to fund roads. Who questions the efficacy of his carbon tax when the country only emits 15% of the planet's CO2 and a Dec NAS paper conclusion:

CO3 warming effect decreases with concentration. CO2 has less and less effect with increased concentration. CO2 can go to 1000 to 2000 to 5000ppm and it won't warm the earth

**Community Service** Firefighter and rescue team for Okanogan Firefighter Department District 16 and I've been a chef through Caregivers Network to help the needy. Helping parents and children in America and abroad in Family Court issues, also 10 years.

**Statement** My name is Jon Butler, I'm running for United States Senator of Washington State/ My platform is Family Court Reform and Family Law Reform. I've been an advocate for going on 10 years now. Helping parents and children here in Washington to around the country and the world. Family Courts have destroyed families, dreams of our children and their parents for over a century. It Started in 1910. It is time to stop the abuse on Washingtonians and the American parents. I would like to Butler Corps, like Job Corps but for older adults: the homeless vets, woman and men. Where people can get a good education/trade and off the street, to get them a job. Everyone needs just a nudge in the right direction. Also, I would love to give teachers raises and better incentives. They are on the front line our generations to come, and they should be treated like the best. Furthermore, somethings that has been on my heart to do is, limit terms on politicians. This has never been done in history. It is time to make history and make this happen. There are other great things I would love to get done for us Washingtonians, from creating stricter laws on pedophiles, stricter voter ID laws, again term limits, to even raising the speed limits on some highways. Plus, to step it up I don't ask for donations, my name isn't bought like most of them are. I even will be giving the paycheck back to the public. Giving it back to local communities and building families up. The other part will go to building Butler Corps. I am not asking for money. I'm asking for your vote. **Education** Bachelor of Science in Mechanical Engineering at BYU.

**Community Service** As a senior aerospace engineering, I led the creation of educational content. And continue to create content at Solstin Org Podcasts. sites.libsyn.com/415226 Focus is STEM, our broken monetary system, and sound money is the doorway to renaissance. As Senator Solstin, I will continue educational efforts. I fully support my wife's community effort. Dr. Solstin is from Uganda. She has dedicated her career to Washington's homeless and women's psychiatry.

**Statement** Social Liberal and Fiscal Conservative

*Fix Our Broken Monetary System:* Inflation is at a 40-year high. US debt is \$30 trillion and accelerating. Since 1971, The Fed's money printing is administered like a painkiller. After 50 years, the US economy is addicted to synthetic stimulus. We can forgo the Weimar Republic pattern. There is a way out. Wtfhappenedin1971.com

Since 1971, wealth inequality continues to widen. QE and money printing is the biggest wealth transfer to the financial class in human history. Money printing is bleeding the working class. Inflating housing, food, and fuel. The root cause of homelessness. We are in a large-debt cycle and Bitcoin will provide relief from the failing US Dollar. As Senator Solstin, I will focus on fixing our broken monetary system. Bitcoin eliminates the magic money printer. Eliminates inflation. Crypto does not. Crypto is fiat.

I want to be Senator Solstin to give control back to citizens. I advocate privacy, individual sovereignty, and private property. In summary, Bitcoin. Nothing else is sufficiently decentralized. As a privacy advocate, I will fight every CBDC effort, including countries who implement a CBDC. The US worker shouldn't compete with an ultra-centralized, economy. Central Bank Digital Coin is slave money. Dystopian. I'm happy to debate this with any opponent.

*Conservationist:* I will fight for clean air, clean water, clean soil, and clean energy.

*STEM Leadership:* The internet's TCP/IP accelerates the velocity-of-data. Bitcoin's BTC/LN accelerates the velocity-of-value. Both protocols demonstrate *decentralized* resiliency, and accelerates the digital transformation of Science, Technology, Engineering and Math (STEM). I will strategically invest in STEM's digital transformation, accelerating abundance and prosperity for everyone. The aging US Senate desperately needs proven, STEM leadership. In the next term, Senator Murray will be 78.

**Statement** These last few years have been some of the toughest for our state that I can remember. But that has only made me more determined to be a strong voice in the other Washington for our workers and families—one who listens to the people of our state first and foremost, and always stands up for our values and priorities.

As your Senator, I focus on results and concrete ways I can make life better for people in our state. I led the Senate in passing legislation last year to get our kids back into the classroom safely, make COVID vaccines available to everyone who needed them, and help small businesses and families make ends meet through difficult times.

Right afterward, I got to work to help pass the Bipartisan Infrastructure Law, which will create good-paying union jobs in every part of our state, improve public transit, expand lower-cost clean energy, establish universal broadband, and upgrade our bridges, ferries, and ports to strengthen supply chains.

And, I negotiated a bipartisan budget that funds local priorities Washington workers and families like you have told me about, like helping veterans find housing and expanding job training.

I will always stand up to those who want to roll back workers' rights, jeopardize American democracy, or ban abortions. I believe the economy should work for everyone in our state, not just those at the very top. Instead of tax cuts for the rich, I want to lower families' costs for basics like health care and child care—make housing, college, and career and technical education more affordable, and invest in American manufacturing to bring good jobs back home.

I ask for your vote so I can keep fighting for you and everyone here in Washington state.

**Education** Eisenhower High School, Yakima, Washington.

**Community Service** Built fish ladders and state and federal water betterment projects throughout the state.

**Statement** Hi, I'm Thor Amundson, and I am a pro-democracy candidate and freedom of choice and freedom of speech. Born and raised in Eastern Washington, I've lived and worked throughout the state, and this has given me the opportunity to talk with people in all walks of life, and to consider the variety of issues facing them. I believe that without a little more opportunity for the next generation, we cannot have a healthy civilization.

If corporations move to other countries, they should follow the same rules and labour practices as in the USA. Stop shipping logs, jobs, and clean air and water over seas. Turn off reactor at Hanford and no new reactor; stop making the mess. Replace Hanford with geothermal power generation. Nationwide public internet access for everyone and net neutrality. Ban the use of certain weed killers on federally funded sites like easements, fencelines, ditch banks, and public schools; reintroduce the monarch butterfly to Washington state. Overturn Citizen's United.

Picture a state and a nation where your children can afford to live. Annex Weyerhaeuser's land and give away 250k free off-the-grid homesteads in WA state. A place where elected officials are chosen by the people, not by their financial contributors. Make C-Span more entertaining. Rather than propose campaign reform, I'm going to implement it. I am not an attorney, and I am not a politician. Therefore, there will be no question about who I am working for. I will lead Washington into the 21st century.

Bring our Washington Orca back from Florida. Please vote for Thor Amundson, U.S. Senate.

**Statement** We have a serious problem and even as wealthy as this Nation is, this is getting expensive. \$30,400,000,000,000 National Debt along with increasing interest rates; the postponement/abandonment of dealing with this has left the United States in a precarious financial situation, Interest Payments this year will exceed \$600 Billion (1.7 Billion Each Day).

The incumbent has been in office 29 years; the National Debt has increased over \$26,400,000,000,000 during her time in office. Without your help it will not get repaired, the people who created this mess have no incentive to fix it. Grandmothers, moms, your kids and grandkids have gotten Fleeced!

Not learning from but repeating history is Insane yet here we are again, will the catastrophic results repeat also? George Washington's farewell speech in 1798 addressed Political Parties and the damage they would inflict on this Nation because of Potentates and Despotism; the cost of abandoning Virtue and Morality for Legalism; the dangers and damage of Outside Foreign Influence; along with the irresponsibility and cost associated with an unfettered National Debt.

Thomas Jefferson stated: "I know no safe depository of the ultimate powers of society but the people themselves; and if we think them not enlightened enough to exercise their control with a wholesome discretion, the remedy is not to take it from them, but to inform their discretion by education."

Unfortunately there are no term limits; the Elephants and Asses (Republicans and Democrats) defrauded/deceived you, your kids and your grandkids! The only way to get rid of the lifers in the House and Senate is to remove/fire them all. If you are tired of the status quo, help change it. It's past time to clean house.

**Statement** I am a successful entrepreneur, businesswoman, wife, and mother. Born and raised in Bellevue, WA, I have watched firsthand our state's downfall. Friends ask me "Naz, why would you put yourself out in the angry political world?" Simple. As the daughter to Iranian immigrants and as wife to a husband whose family fled the Socialist Republic of Romania, I have seen sacrifice. I love my country, I love the constitution, and I want there to be a future for my children and yours! As an independent, I believe that our differences empower us and that respect is essential, even when we disagree. We all see the bad direction our country is headed and we all see the hypocrisy among both sides of the establishment. We all want change. I am that change.

I believe our 2-party system does not care for the common citizen. They pledge their allegiance to their party. I will pledge allegiance to our country and the people of WA! I promise to be honest, upright, and continue holding the same moral values that I hold in my personal life, family, and business. I won't be bought by special-interest groups and I will put the grueling issues that plague our state first on the list. From holding state officials accountable with homelessness funds, to fighting big Pharma, inflation, education, student loans, energy innovation, immigration, etc. The list goes on and I'm prepared to bring solutions to the table and work between party lines to get things done!

Who is best to represent you Washington? A democrat? A republican? Or is it an independent? One who truly loves her state, the Washington people, and wants to better the quality of life for all. The voters have to decide. Thank you for the opportunity to serve and represent you!

## United States House of Representatives

5th Congressional District 2 year term

**Cathy McMorris Rodgers****Prefers Republican Party**

**Elected Experience** U.S. Representative from 5th Congressional District; House Energy and Commerce Committee Republican Ranking Member. Served in the Washington State House of Representatives; elected House Republican Leader.

**Other Professional Experience**

Worked at family-owned orchard and fruit stand for 13 years.

**Education** Executive MBA University of Washington, BA Pensacola Christian College.

**Community Service** Strong advocate for military families, veterans, farmers, small business owners, students, and people with disabilities.

**Statement** I'm blessed to represent the hardworking people of Eastern Washington and serve as your voice in Congress. Every week, I have the privilege of going to Washington, D.C. to fight for you – the veterans who selflessly served our country, the small business owners driving our economy, the farmers putting food on the tables of families around the world, and the next generation of entrepreneurs chasing after the American Dream.

As the Lead Republican on the Energy and Commerce Committee, I've had the opportunity to deliver results on some of the issues most important to Eastern Washington.

From securing America's energy future and making health care more affordable to protecting free speech and closing the digital divide, our committee has been at the forefront. In 2021 alone, I introduced 11 bills that were brought to the House floor, and I continued my work for you by helping lead 149 other pieces of legislation.

Additionally, I helped pass 64 bills out of the Energy and Commerce Committee and onto the House floor, 9 of which were signed into law.

In Congress, I will continue to make our nation's energy independence a top priority. I recently introduced a bill to flip the switch on American energy, restore our dominance on the world stage, and turn away dangerous adversaries like Russia and Venezuela. This is the key to providing hardworking families in Eastern Washington with the reliable and affordable energy they need to keep the lights on.

There is a lot to be excited about in the year ahead. Together, let's imagine what's possible and work hard to make it happen. I am grateful for the support of my family and all of you throughout this journey. It's time to get to work Eastern Washington.

**Statement** I'm running because so many of us feel left out of decisions made in Washington, D.C. Our current Congresswoman is out of touch, rarely present, and has become part of the divisive extremism pulling our nation apart and eroding American values.

I offer a different vision. I'm a fourth generation Eastern Washingtonian from Spokane's Hillyard neighborhood. I'm proud to be raising my kids and running my practice here. My childhood was marked with hard times and family struggles, but I developed a strong work ethic and determination to secure a better future that I'll take to Congress.

I started my campaign by listening, holding town halls from Pend Oreille to Walla Walla, calling thousands of voters, and doing something our current Congresswoman refuses to do: answer questions directly. I've heard from folks across our district the importance of prioritizing Jobs, Families, and our Democracy.

Workers and families are struggling to make ends meet with the high price of gas, groceries, housing, and childcare. As a mom and business owner, I get it. Too many are at risk of going broke if they get sick or injured. Corporations making record profits, while paying poverty wages and unduly influencing policy, is not acceptable. We must ensure government works for the People, regardless of appearance, abilities, or address. I will prioritize tackling inflation, strengthening Unions, improving healthcare access and lowering costs, reducing education costs and debt, investing in childcare, expanding rural broadband, fixing roads and bridges, addressing climate change, and protecting voter rights.

Together, we can stop the extremism, the partisanship, and find common ground to move our communities forward. I'd be honored to earn your vote.

**Community Service** Four years 82nd Airborne; 14 years Army Reserve; Two years National Guard, Volunteer in Bosnia

**Statement** I am running for Congress because I'm not satisfied with current choices and despite never holding office believe I have superior experience for the job. In any case the position needs to rotate more - our current Representative has been in office twenty years. That can't be healthy. Aren't we the district that sacked Tom Foley, Speaker of the House in 1994? Voters must ignore slick advertising campaigns paid for by lobbyists and vote for someone new. Like me. My Congressional fact finding mission to besieged Sarajevo in 1993 where I met the prime minister demonstrates an affinity for the job (Pelosi and McConnell did the same thing in Kyiv recently). Before that I interned on Capitol Hill, good experience most freshmen members of Congress don't have. And I'm a veteran, a valuable background when debating issues of war and peace. I deployed twice to Egypt with the 82nd Airborne in the 1980s, and served in Iraq with the Washington National Guard in the 2000s. In between I worked in aid delivery and reconstruction in Bosnia, highly pertinent given the billions in aid Congress has appropriated for Ukraine. I support helping Ukraine for both moral and strategic purposes, but close oversight of taxpayer funds is warranted. Giving aid is not fire and forget. Corruption marred the reconstruction of Bosnia, and will be a problem in Ukraine too. Priorities of mine in Congress are reforming the structure of the executive branch, amending the 2021 infrastructure law to fund Columbia Basin irrigation and improvements to nearby ports and dams, and combating inflation and homelessness, problems only exacerbated by Biden's open borders agenda and his resettlement of millions of undocumented and unvetted immigrants into American communities, all of whom require housing, food, medicine and transportation, all of which are in very short supply.

**Statement** Ann Marie Danimus has deep roots in Washington and a vision of prosperity for our district. She is the only candidate for the 5th with a comprehensive plan for economic development. She's a fighter, a survivor and a problem solver. Once brought to her knees physically and financially by a double organ transplant, she rebuilt her life and now wants to help rebuild the Fifth. Ann Marie Danimus' plans rest on three core tenets:

*Bringing business back* by expanding small business services and loans, as well as tax breaks for micro businesses to pay living wages. She will focus on current and future green energy needs and bring regionalized, sustainable farming, green manufacturing, renewable energy and good paying jobs. *Building our future* by investing in our children's education, expanding access to trade schools and reducing college fees and loans to prepare generations of Washingtonians. Expanding broadband to our rural communities. *Leaving no one behind* by supporting legislation towards universal healthcare, support for rural areas, seniors and those living with disabilities. She will endeavor to reinforce laws that protect equal rights and representation for all Americans. She will fight for our veterans to receive help and treatment while on active duty and beyond by supporting expansion of the TAP program and increasing mental health outreach to help end the suicide epidemic that is claiming the lives of so many who have served.

WA05 can no longer afford to have an out of touch career politician who is backed by dark money and supported "The Big Lie". For 18 years her only consistent achievement is failure to deliver. It's time for someone new. Someone who has pledged to take Not One Penny Ever from corporate PACs and lobbyists and will focus on "We the People". It's time to vote "D" for Danimus.

Compared with accuracy and transparency requirements for engineering, banking, and healthcare, our elections have been completely substandard. We deserve and will build an election system that earns our trust.

**Statement** For those unaware, China is assembling a 'security' pact in the Pacific. This amounts to a series of gas stations for their 350 ship navy, 80 ship maritime militia, and any aircraft and small craft imaginable. They already have Guadalcanal. They also have 100 tankers and 400 containerships (Temporary helo troopships). So, if certain dominoes fall certain ways, we could have half a million Chinese troops in Western Washington. Where there is a huge anchorage and ready protection from our Army provided by mountains, deserts, and rivers. If this comes even close to happening, we will already have had a bad day. Long before then I want the Military to Recon the place hard and think about what to do with that much trouble.

Chinas' move is not so much new as next. Part and parcel to the happenings in Ukraine. You don't need ESP to see war clouds gathering. We must get our supply chain out of their country. That wont happen by itself.

I choose to run for Secretary of State because representation matters, voter education matters, election security matters, and restoring confidence in our democracy matter. Washington state has maintained recognized leadership in the nation with its impressive mail-in voting process and same-day voting registration. I believe I can carry on that legacy once I am elected.

**Statement** I am an Election Integrity Investigator fully committed to restoring transparent, secure and verified elections for all of Washington voters. Currently, we are told that our mail-in system is the most "convenient, accessible and secure" in the country, yet we appear to be sacrificing voter confidence in the name of convenience. The public is currently prohibited from inspecting the key aspects of our elections despite vulnerabilities of tabulation machines being widely known. Our voter rolls don't appear to be properly maintained which could allow fraudulent ballots to be accepted, and because anyone with your name and birthdate can turn in your ballot, we currently do not have verifiable ballot chain-of-custody. This isn't a partisan issue. If we can't trust the process of how we elect our representative government then our Democratic Republic is only an illusion. We the People must be the ones to restore a system that we can trust. No matter where we stand politically, if we can come together on this one thing, *we all will win*. Increased transparency and oversight are key to solving these problems. I am the only candidate in this race committed to restoring that accountability.

**Community Service** Rotary, American Legion, Nisei Veterans Committee

**Statement** As your current Secretary of State, my top priority is to ensure our elections are secure and accessible to every eligible voter. I am proud of my career in public service working alongside Democrats, Republicans, and Independents advocating for all Washingtonians.

My mom, an Asian immigrant, raised me to work hard, value education, and serve others. That is why I have worn the uniform for more than 30 years and served 15 years in the state Senate.

With bipartisan support from state lawmakers, I am leading work that safeguards our election systems from cybersecurity threats, confronts malicious disinformation, and engages underrepresented communities. These commitments are why I am endorsed by numerous County Auditors who conduct elections, labor and business, voting rights advocates, and prominent state and federal leaders.

The Secretary of State must possess the highest standards of integrity and leadership and serve as a strong advocate for voting rights in Washington. As attacks on our democracy become more sophisticated, I am here to lead our state's elections through security challenges. It has been the privilege of my life to serve as your Secretary of State, and I would be honored to earn your vote.

## State of Washington

Secretary of State *2 year unexpired term***Keith L. Wagoner****Prefers Republican Party**

**Elected Experience** State Senator 2018-present (Minority Whip), Ways & Means and Law & Justice Committees, Behavioral Health Sub-committee (Ranking member); Mayor, City of Sedro-Woolley 2016-18; Sedro-Woolley City Council 2010-15

**Other Professional Experience** U.S. Navy for 23 years as a Naval Aviator flying helicopters, including 13 years in overseas locations conducting resupply and Search and Rescue missions. Retired with the rank of Commander. Diplomatic assignment to U.S. Embassy Tokyo, Japan.

**Education** United States Naval Academy, Annapolis MD. (BS, Physical Oceanography); University of San Diego (MS, Global Leadership)

**Community Service** Fraternal Order of Police 2020 Legislator of the Year, Rotary International; Fraternal Order of Eagles #2069, American Legion Post 41

**Statement** For five decades, Washington voters across the political spectrum, have trusted Republican leaders to oversee our sacred right to elect our own leaders. That ended when the governor appointed a Democrat to fill Secretary Wyman's vacant seat. I am running to return this office to the "people's choice" and to restore balance, accountability, and integrity to our election and voter registration system.

Washington has one of the most accessible election systems in the country; that needs to be protected. But with accessibility comes risk. Washington needs a SoS who understands the value of your vote and the need for constant vigilance and security improvements to protect the integrity of our elections; the bedrock of our society. Under my leadership, this office will be proactive, unbiased, and transparent.

Voter confidence suffers when we do not definitively and consistently demonstrate a commitment to free, fair, and transparent elections. And when confidence falters, voters no longer participate. I am the only candidate who has actually sponsored legislation (Washington Voter Confidence Act) to both improve access and accountability. I am not running to make things better for any political party, I am running to make things better for Washington State voters.

## State of Washington

**Secretary of State** *2 year unexpired term*

### Mark Miloscia

**Prefers Republican Party**

**Elected Experience** State Senator (15-19); State Representative, (99-13); Chair, House Audit Review Committee; Chair, Senate State Government and Elections Committee; Commissioner, Lakehaven Utility District, (96-99)

**Other Professional Experience**  
Executive Director, Family Policy

**Education** BS, Engineering, USAF Academy; MBA, University of ND; MS, Clinical Psychology, Chapman University

**Community Service** Federal Way Boys and Girls Club Board; Lake Dolloff PTA VP; State and National Baldrige Quality Examiner, St. Vincent's Knights of Columbus

**Statement** I'm running for Secretary of State to restore trust and integrity to government, especially our election systems. From registering voters, to eliminating irregularities, and to auditing and validating all votes, I will insure 100% accuracy and compliance with laws!

We need a passionate, experienced leader to head this critical agency who will work with county auditors and fight for election integrity and fairness. I've spoken to many Washingtonians, Republicans, Democrats, and Independents alike, who feel as I do that our concerns with government performance are not welcome. It shouldn't be controversial for Washingtonians to ask for transparency or demand audits and evidence of zero fraud. Yet many who have merely asked questions about problems or irregularities, have been mocked, silenced, or labeled as conspiracy theorists.

Citizen oversight over government is uniquely American! I will support all people, of any political party or belief, who want to be involved to ensure that their voices, and the voices of all others, are heard.

If I accomplish one result as Secretary of State, it would be to ensure that all Washingtonians are 100% convinced that elections were accomplished with integrity, and the results are true. I would be honored to get your vote!

### Julie Anderson

**Community Service** Past President and Member, Association of County Auditors; Secretary of State's Electronic Recording Standards Commission; Paul Harris Fellow, Rotary International; Board Member, UW Center for Leadership and Social Responsibility; Senior Fellow, American Leadership Forum; Washington State Bar Association Character and Fitness Board

**Statement** Polarization has eroded trust in our government. The Secretary of State has the critical job of running trustworthy elections, as well as providing public records access, business registry, and library services. This demands experience. Partisanship has no place in the Secretary of State's office.

I've been Pierce County's nonpartisan Auditor for 12 years, leading a nationally recognized, award-winning office that has increased voter access, enhanced election security, and improved auditing procedures. I've provided oversight and statewide leadership in elections, increased access to public records, and streamlined business licensing. I hold national and state certifications in election administration and am a certified public records officer.

I've worked closely with counties throughout the state. Together, we've created a national reputation for excellence. That's how I've earned the trust and endorsement of more than 30 Democratic, Republican, and Independent election administrators and County Auditors throughout Washington State.

My experience and leadership managing hundreds of elections in Washington's second largest county has prepared me to serve as your Secretary of State. I will protect our democratic republic by making our elections more secure, transparent, and accessible. I ask for your vote.

## Asotin County

**Assessor** 4 year term

### **Jenny L. Ryneerson** Prefers Republican Party

**Statement** I am Jenny L. Ryneerson and I am seeking re-election in 2022 as your Asotin County Assessor. Since taking office in 2016, myself and my staff have implemented many changes to improve the efficiency and accuracy of our physical property inspections, imagery and mapping programs as well our

appraisal and property tax systems. We are also working to update and improve our public facing website to make more information easily accessible to the public. Since taking office, I have worked hard to improve our customer service standards and we are consistently experiencing record low appeals of property values, largely due to the improvements in our accuracy and customer service which has created more public trust in county Assessed Values.

It has been my honor and privilege to serve as your Asotin County Assessor for the past six years. I will continue to strive toward fair and accurate valuations of each individual property in our County. I will continue to make myself and my staff available to the public to address any questions or concerns. I look forward to continuing to serve our beautiful County.

I was appointed as an interim Clerk in August 2016 and have maintained the elected position since then. I would like to thank the voters for your confidence and support to allow me to continue to serve as the County Clerk.

Asotin County

**Prosecutor** 4 year term

**Benjamin C. Nichols**

**States No Party Preference**

**Statement** I have been honored to serve the residents of Asotin County for the past 29 years, first in the capacity of Deputy Prosecutor and then as Prosecuting Attorney. I have over 30 years of courtroom experience and one of the highest conviction rates in the State of Washington. I have successfully

prosecuted cases from simple misdemeanor violations to high profile murder cases.

I have worked diligently to hire and retain accomplished and professional staff for the Asotin County Prosecutor’s Office. The Asotin County Prosecutor’s Office is open to the public and the citizens of Asotin County have had and will continue to have direct access to their prosecutor.

I have a strong working relationship with local and state law enforcement agencies. I have been endorsed by law enforcement, prosecuting attorneys, defense attorneys and civil practice attorneys in the area and across the state.

I live in Asotin County with my family and I am dedicated to the protection of our community. I do not take charging decisions lightly and always consider the balance of what is fair, ethical and financially feasible to the citizens, the victims and the defendants.

## Asotin County

**Sheriff** 4 year term

### John Hilderbrand

**States No Party Preference**

**Statement** I would like to thank the citizens of Asotin County for allowing me to serve as your sheriff for the last 7 years. It has truly been an honor to serve Asotin County and it is a position I do not take lightly.

During this time we have been able to, among other things, reduce property crimes, combat narcotics by participating in the Quad Cities Drug Task Force, significantly reduce the overtime budget and hold all staff to the highest standard you deserve. We have an incredible team of deputies and correction officers serving you 24/7. I continue to strive to provide more with the resources available. During the last four years I have also sought out resource sharing opportunities in the continuance of being a good steward of your tax dollars. Our office now has a great working relationship with law enforcement and first responder agencies around the region.

I continue to work with the Asotin County Commissioners hand in hand to minimize costs, but still serve the citizens with the best possible law enforcement and protection we can afford. Since being your sheriff, I have also sought out citizen input on ways to better serve the community and I will continue to listen for any opportunity to serve at the highest level. Among some of the public input, it was decided a code enforcement deputy was needed to enforce the county ordinances in place. I was able to work with the commissioners to secure a code enforcement deputy who has been instrumental in the education and enforcement of the county ordinances that have created issues in the past.

The Sheriff's Office along with many other partners and citizens brought forward the extreme need for a new county correctional facility. The County Commissioners have committed to make the new jail a reality in the near future.

The last four years have gone by fast. I continue to work side by side with my deputies on the street for a safer community. I still have many goals to accomplish as your sheriff with the Jail being one of many. With your help, support and vote, I will be persistent in maintaining the trust of the community and will keep the sheriff's office committed to serving its citizens now and into the future.

As I look forward to the future I am optimistic and energized to tackle some of our largest challenges. I strive to make the best decisions possible on behalf of Asotin County and its citizens.

Not all decisions are popular, but I believe I have made the best choices with the circumstances presented. As the economy recovers from the pandemic and now being challenged by inflation and high energy cost, the challenges are plenty. I will continue to fight for the citizens and continue to work to provide services in a cost efficient and timely manner. I am working closely with the Architect for the new jail and will closely work with the General Contractor during construction.
